**Faculty Incharge :** : Ms.J. Jenisha,  
Assistant Professor/ECE

**Date:** 03.11.2023

**Venue:** DSP Laboratory

**Number of Participants:** 60

#### Description:

The “TECHNOPHILIA 2K23” technical contest was conducted for our First Year ECE students on November 3.11.2023. All the teams enthusiastically took part in the contest and showed their hidden talent and thinking.

#### **Event 1: Mind Scape Rumble**

This event helps the students to inspect the code for any typographical errors, such as misspelled function or variable names, even a small mistake.

25 Teams (50 students) were participated in Round 1- Pythonista competition.

The top 10 Teams were shortlisted to Round 2.

10 Teams (20 students) were participated in Round 2- Electrolarynax.

The following students are the winner and runner of the event.

Winner/Runner	Name of the Students	Year
Winner	D. Tharanitharan K. Karthik	First Year
Runner	B. Prakash D. Vignesh	First Year

**Event 2: Brainy Bowl** This event helps the students to increase their creative skills. Participants are required to make a communication design within the particular time.

25 Teams (50 students) were participated in the Round 1-Technical Connection.

The top 10 teams were shortlisted to Round 2.

10 Teams (20 students) were participated in Round 2- Quizly Bears.

Winner/Runner	Name of the Students	Year
Winner	M. Siranjeevi S. Shankareshwaran	First Year
Runner	K. Devadharshini S. Acchika	First Year

Outcomes:

- Enhance their ability of creativity.
- Acquire Knowledge about recent technologies.
