

Chettinad College of Engineering & Technology, Karur

Department of Electronics and Communication Engineering

News Report

Programme Name: Heritage Visit

Faculty Incharge : Mr.M.Prabhakaran,

Assistant Professor/ECE

Date: 27.12.2023

Number of Participants: 60

Description:

On 27th December 2023 our I Year ECE students explored the Arulmigu Kalyana Pasupatheswarar Temple, Karur and Karuvloor Chera Archaeological Site Museum as part of their 'GE3151 Heritage of Tamil' course.

At the Kalyana Pasupatheswarar Temple, they gained insights into the structure of the temple, architectural styles, ancient inscriptions and various statues present in the temple.

Additionally, the visit to the Karuvloor Chera Archaeological Site Museum provided an opportunity to observe archaeological objects from the Karur region and learn about the history of the Mutumakal Thali, Suduman Doll, Nadukal, Porkosukal and many more, enriching their understanding of Tamil heritage.
