

Chettinad College of Engineering & Technology, Karur

Department of Electronics and Communication Engineering

News Report

Programme Name: Value Added Course on Arduino Programming

Faculty Incharge : : Dr.M.Kumar, ASP & Head/ECE

Mr.P.Selvan, Sr.AP/ECE

Date: 29.09.2023 & 30.09.2023

Venue: DSP and VLSI Laboratory

Number of Participants: 60

Description:

Our ECE Department successfully conducted “Two Day Hands on Training on Arduino Programming” from 29.09.2023 to 30.09.2023. The purpose of this course is to provide students with practical skills and knowledge in Arduino Programming and its applications. Totally, four sessions conducted and in which how to use Arduino Componets and IDE were taught. All the IInd year ECE students were actively participated and at the end of this course, the students have the ability to make Arduino with Tricolor LED and Push button, Display counter, Interface DC and Servo Motor, Interfacing LCD, Wireless Connectivity.
