Department of Management Studies

News Report

Programme Name: CAMS MEET'2023 – National Level Management Meet

Resource Person/Chief Guest(Optional):

Date: 30.11.2023

Venue: CNCET

Number of Participants: 358

Description:

A healthy competition encourages students to do their best, not just good enough. Competing encourages students to be more inquisitive, conduct independent research, and collaborate with others. They will go above and beyond what is expected of them. As a result, they are prepared for a variety of future situations.

On November 30, 2023, we organised a National Level Management Meet for MBA students called "CAMS MEET-2023." We conducted six different events, which are:

1. Best Manager

2. Business Quiz

3. Ad-Zap

4. Stock War

5. HR Games

6. Corporate Walk

358 students from 21 different colleges in and around Tamil Nadu participated.

Overall Winners: NPR College of Engineering and Technology
