

Chettinad College of Engineering & Technology, Karur

Department of Mechanical Engineering

News Report

Programme Name: Field trip

Date: 28-11-2023

Venue: Jayalakshmi Motors service assembly , Karur

Number of Participants: 17

Description:

On November 28, 2023, the II - Year Mechanical Engineering students went on a one-day field trip to the Jayalakshmi Motors service assembly in Karur. The visit started with an exploration of Jayalakshmi Motors, where a six-cylinder engine-heavy vehicle was showcased. A detailed explanation of the functioning of the cut model was provided, covering aspects from the front axle to the rear axle of the heavy vehicle.

This field trip proved to be very beneficial, offering valuable insights and information on concepts related to Automobile Engineering.

Coordinators: M. Gunashankar, Sr.AP/Mech & P.Prakash Sr.AP/Mech.
