**Cup Of Rice: Spirit Of Giving**

On behalf of the Social Welfare Club at Chettinad Tech, we organised the "Cup of Rice" event from November 20 to November 25, 2024.

Driven by the spirit of giving, our vibrant student community came together to collect an impressive

- 330 kg of rice—nourishing countless lives
- 10 kg of wheat—a vital staple for sustenance
- 10 kg of groceries and snacks—spreading joy and comfort

On November 27, these generous contributions were distributed to three incredible organisations that tirelessly work to uplift the vulnerable:

- Sakthi School for the Disabled
- Nethra Old Age Home
- Anbalayam, Thanthonimalai

Each donation carried more than just essentials—it delivered hope, care, and a sense of belonging too! "Cup of Rice" is a movement fuelled by love and the unwavering belief that even the smallest act of kindness can transform lives.

We extend our heartfelt gratitude to every donor who stepped forward to make this vision a reality. Your generosity not only met immediate needs but also planted seeds of hope for a brighter and more compassionate future.
