**School Campus Cleaning Activity**

The Social Welfare Clubs of Chettinad College of Engineering and Technology organised a school campus cleaning activity on May 30, 2024, at the Panchayat Union Primary School in Puliyur, Karur. A total of 20 student volunteers participated in this event. They cleaned the classrooms, the school campus, and the surrounding areas.

This initiative not only enhanced the school's environment but also fostered a positive atmosphere for learning. Such efforts showcase the commitment of our students to community service and inspire others to contribute to the betterment of society.
